WELCOME TO THE NHS WALES LIBRARY SERVICE

The NHS Wales Library Service promotes evidence based practice and provides quality health information to support patient care, education, professional development, training and research.

Libraries are located in each of the major hospitals in Wales and offer a friendly and helpful service.

An open, empty cardboard box stands upright on a white surface. The box is made of light brown, textured cardboard. The top flaps are open, and the box is empty. In the foreground, a white document is partially visible, with the text 'Postal loans' printed on it in a blue, sans-serif font. The background is blurred, showing what appears to be a patterned fabric or rug.

A black rotary telephone is shown in a close-up, low-angle shot. The telephone is positioned on the left side of the frame, with its handset resting on the base. The dial is silver and features a white circular label in the center with the text "RECEPTION - 0" and "ROOM SERVICE - 1". The background is dark and out of focus, suggesting an indoor setting. The lighting is dramatic, highlighting the contours of the telephone.
