Lawrlwytho e-Lyfrau:

Gallwch lawrlwytho penodau neu rannau o benodau o'r e-Lyfrau i'w darllen o'ch porwr neu pan na fyddwch ar-lein. Bydd rhai cyhoeddwyr yn cyfyngu nifer y tudalennau y gallwch eu lawrlwytho ar adeg benodol. Bydd y rhain yn cael eu lawrlwytho ar ffurf PDF.

Ar gyfer e-Lyfrau y gellir eu lawrlwytho'n llawn, bydd angen meddalwedd ychwanegol arnoch, sef Adobe Digital Editions, y gellir cael mynediad ati dim ond yn dilyn anfon cais at eich adran TG leol. Os byddwch yn defnyddio dyfais bersonol, gallwch eu lawrlwytho drosoch chi'ch hun. Anfonwch geisiadau at eich adran TG leol os bydd angen y feddalwedd ychwanegol hon arnoch.

Downloading e-Books:

You can download chapters or portions of chapters from the e-Books to read from your browser or offline. Some publishers will limit the amount of pages you are able to download at a given time. These will be downloaded as PDFs formats.

For e-Books that can be downloaded in full, you will require additional software, Adobe Digital Editions, which is only accessible following a request to your local IT department. If you are using a personal device you can download this yourself. Please make requests to your local IT department if you require this additional software.
