

e-Library Expo 2023

Meeting the whole person

Exploring Equality, Diversity, and Inclusion in the National e-resources for NHS Wales.

17.05.2023

This virtual event will showcase the extensive evidence available to NHS Wales staff and other users of the NHS Wales e-Library.

The sessions are aimed to empower all NHS Wales staff and other users of the e-Library in navigating evidence available to help address these challenging topics.

All sessions are recorded

9.30am: Welcome to Your e-Library

Join along this tour, delivered by Bex from the e-Library team, as we walk through a demonstration of the e-Library website, covering key areas such as:

- How to find the e-Library website
- How to find what you're looking for
- How to log in when on and off the NHS Wales network

Do you have any questions about using the e-Library website – make sure you ask – or submit them before the session to have your questions answered

10am: BMJ

Join with Ali Aboukabache, Training Manager from BMJ as he explores BMJ Best Practice with Comorbidities and other e-resources:

Start using BMJ Best Practice and the Comorbidities feature here:

<https://elh.nhs.wales/evidence-summaries/bmj-best-practice1/>

11am: Clinical Key

Join Gladys Lopez, from Elsevier, as she showcases the evidence summary Clinical Key

Start using Clinical Key here:

<https://elh.nhs.wales/evidence-summaries/clinical-key1/>

Need some help with any e-resources? You can always get in touch by emailing elibrary@wales.nhs.uk or by contacting us

<https://elh.nhs.wales/about-us/contact-us/>

12 noon: The importance of Welsh in healthcare

Join Eleri Jenkins, Welsh Language Service Manager in Digital Health and Care Wales, as she discusses the importance of Welsh Language in Health Care, what new resources are on the horizon, and where you can start learning today!

1:00pm: Royal Marsden Manual

Join Rachel Wilkinson from Wiley as we focus on Royal Marsden Manual, and how the guidelines help all professionals in our roles.
