

Sociology Collection on ProQuest Advanced features

DANIELA CASON

November 2022

ProQuest[®]

Part of Clarivate

Learning Objectives

During this session you will learn how to:

- Use the Advanced Search form to apply the database indexing and search fields
- Run and manage interactive, multi set searches in Command Line and Recent searches
- Explore the Thesaurus to identify and use the preferred terms in subject indexing
- Save documents or searches in My Research, create Alerts, Export results in bulk.

This collection provides access to Sociological Abstracts in combination with other databases covering the international literature in sociology and social services, along with related fields. Together, it provides abstracts, indexing and full-text coverage of journal articles, books, book chapters, dissertations, working papers, and more, including full-text from hundreds of leading sociology journals.

[View title list](#)

Subject coverage

- Addiction
- Community and mental health services
- Family and marriage

Included databases

- [Applied Social Sciences Index & Abstracts \(ASSIA\)](#) ⓘ
- [Sociological Abstracts](#) ⓘ
- [Sociology Database](#) ⓘ
